

Crafting Fruit Wines to Re-live Every Day

[Reserva wines](#) offer the best taste of [jamun wine](#) in Nashik. With its sweet and savory flavors, this fruit wine is perfect for any occasion.

After carefully handpicking every Jamun, we created this lush and smooth wine which truly gives you pleasure. After thorough fermentation and being aged for 4 months, you experience a long and rich taste on the palate which pairs well with a variety of dishes. This perfectly balanced wine is a result of passionate farmers and cool-mountains.

Our Reserva Jamun Lite is a beautiful deep rose wine. The wine has sweet aromas of red fruits and musky wild berries with hints of tropical fruit notes. The sweet red fruit flavours are balanced by a nice crisp acidity. The palate is lightly sweet finishing in a dry and long berry flavour finish.
